

**REMARKS**

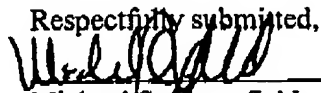

Submitted herewith is a terminal disclaimer, which obviates that obviousness-type double patenting rejection.

Claim 2 has been amended to recite a "therapeutically effective amount" as suggested in the Office Action. The § 112 amendment is thereby overcome.

In view of the foregoing amendments and remarks, the applicant submits that the claims are in condition for allowance, which is respectfully solicited. If the examiner believes a teleconference will advance prosecution, he is encouraged to contact the undersigned as indicated below.
